

January 26, 2024

The Honorable Drew Darby
Candidate, Texas House of Representatives
PO Box 3284
San Angelo, Texas 76902

Dear Representative Darby,

As Governor Abbott's campaign manager, I demand that you cease and desist from representing to the public that Governor Abbott has endorsed you in your bid for re-election. As you know, he has made no such endorsement, and has actually endorsed your opponent, a true conservative, Stormy Bradley.

Governor Abbott has made clear that he believes the voters of House District 72 deserve a true conservative like Stormy Bradley representing them. That is why he endorsed her on December 7, 2023. It is unfortunate that you would misrepresent Governor Abbott's position on your race on your website, which serves only to confuse voters about who the conservative candidate in the race actually is. Which begs the question, what other matters have you tried to confuse voters on?

Accordingly, we demand you cease and desist using Governor Abbott's endorsement in your campaign materials, including without limitation your campaign website, social media posts, and any paid media (such as television and radio).

Sincerely,

A handwritten signature in blue ink that reads "Kim Snyder". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Kim Snyder
Campaign Manager
