Kyle Biedermann
Candidate, Texas House of Representatives
1391 Arbor Ridge Rd
Fredericksburg, Texas 78624

Dear Mr. Biedermann,

As Governor Abbott's campaign manager, I demand that you cease and desist from representing to the public that Governor Abbott supports you. As you know, he has endorsed your opponent, a true conservative, Representative Ellen Troxclair.

Governor Abbott has made clear that he believes the voters of House District 19 deserve a true conservative like Ellen Troxclair to continue representing them. That is why he endorsed her on November 20, 2023. It is unfortunate that you would misrepresent Governor Abbott's position on your campaign mail pieces, which serves only to confuse voters about who is the actual conservative candidate in the race. Which begs the question, what other matters have you tried to confuse voters on?

Accordingly, we demand you cease and desist using Governor Abbott's image/likeness in your campaign materials, including without limitation your campaign website, social media posts, and any paid media.

Sincerely,

Kim Snyder
Campaign Manager
